Behold a Pale Horse William Cooper 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to

many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to "talk" due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. "Bill Cooper is the world's leading expert on UFOs." -- Billy Goodman, KVEG, Las Vegas. "The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long." - - Anthony Hilder, Radio Free America "William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history

of the world." -- Mills
Crenshaw, KTALK, Salt Lake
City. "Like it or not, everything

The Little Stranger Sarah Waters 2009-05-05 From the multi-award-winning and bestselling author of *The Night Watch* and *Fingersmith* comes an astonishing novel about love, loss, and the sometimes unbearable weight of the past. In a dusty post-war summer in rural Warwickshire, a doctor is called to see a patient at lonely Hundreds Hall. Home to the Ayres family for over two centuries, the once grand house is now in decline, its masonry crumbling, its garden choked with weeds. All around, the world is changing, and the

family is struggling to adjust to a society with new values and rules. Roddie Ayres, who returned from World War II physically and emotionally wounded, is desperate to keep the house and what remains of the estate together for the sake of his mother and his sister, Caroline. Mrs. Ayres is doing her best to hold on to the gracious habits of a gentler era and Caroline seems cheerfully prepared to continue doing the work a team of servants once handled, even if it means having little chance for a life of her own beyond Hundreds. But as Dr. Faraday becomes increasingly entwined in the Ayreses' lives, signs of a more disturbing nature start to emerge, both within the family and in Hundreds Hall itself. And Faraday begins to wonder if they are all threatened by something more sinister than a dying way of life, something that could subsume them completely. Both a nuanced evocation of 1940s England and the most chill-inducing novel of psychological suspense in years, *The Little Stranger*

confirms Sarah Waters as one of the finest and most exciting novelists writing today.

Amp'd Ken Pisani 2016-05-10 "Complete with painfully wry observations and delightfully caustic wit, this novel is a gritty exploration of what it's like to feel incomplete in the world. All five fingers up for this bitterly satisfying tale."

—Kirkus Reviews(starred) Aaron is not a man on a hero's journey. In the question of fight or flight, he'll choose flight every time. So when a car accident leaves him suddenly asymmetrical, his left arm amputated, looking on the bright side just isn't something he's equipped to do. Forced to return to his boyhood home to

recuperate, Aaron is confronted with an aging father (a former Olympic biathlete turned hoarder), a mother whose chosen to live in a yurt with a fireman twelve years her junior, and a well-meaning sister whose insufferable husband proves love isn't just blind, but also painfully stupid. As Aaron tries to make the world around him disappear in a haze of Vicodin and medical marijuana, the only true joy in his life comes from daily ninety-second radio spots of fun science facts: the speed of falling raindrops, batteries made out of starfish, and sexual responses triggered by ringtones - all told in the lush, disembodied voice of commentator Sunny Lee, with whom he falls helplessly, ridiculously, in love. Aaron's obsession with Sunny only hastens his downward spiral, like pouring accelerant on a fire. Pressured to do something - anything - to move his life forward, he takes the only job he can get. As a "fish counter" at the nearby dam, he concludes that an act of violent

sacrifice to liberate the river might be his best, final option.

Market Forces Richard K. Morgan 2005-03-01 From the award-winning author of *Altered Carbon* and *Broken Angels*—a turbocharged new thriller set in a world where killers are stars, media is mass entertainment, and freedom is a dangerous proposition . . . A coup in Cambodia. Guns to Guatemala. For the men and women of Shorn Associates,

opportunity is calling. In the superheated global village of the near future, big money is made by finding the right little war and supporting one side against the other—in exchange for a share of the spoils. To succeed, Shorn uses a new kind of corporate gladiator: sharp-suited, hard-driving gunslingers who operate armored vehicles and follow a Samurai code. And Chris Faulkner is just the man for the job. He fought his way out of London's zone of destitution. And his kills are making him famous. But unlike his best friend and competitor at Shorn, Faulkner has a side that outsiders cannot see: the side his wife is trying to salvage, that another woman—a porn star turned TV news reporter—is trying to exploit. Steeped in blood, eyed by common criminals looking for a shot at fame, Faulkner is living on borrowed time. Until he's given one last shot at getting out alive. . . .
