The Stuart Age Barry Coward 1994 A major undertaking in its own right, this Second Edition of The Stuart Age (revised throughout, and reset in a more generous format) is fully worthy of the immensely successful First Edition. It provides clear and accessible interpretations of the many changes that took place in these crowded years -- still the centre of the most lively and intellectually exciting debates of any period of British history -- but its aim is not to persuade readers to accept these interpretations uncritically, but to help them take part in the ongoing debate themselves.

Trembling Hearts in the Bodies of Dogs Selima Hill 1994 Selima Hill grew up in a family of painters in farms in England and Wales, and has lived in Dorset for the past 35 years. She received a Cholmondeley Award in 1986, and was a Royal Literary Fund Fellow at Exeter University in 2003-06. She won first prize in the Arvon International Poetry Competition with part of The Accumulation of Small Acts of Kindness (1989), one of several extended sequences in Gloria: Selected Poems (Bloodaxe Books, 2008), which also includes work from Saying Hello at the Station (1984), My Darling Camel (1988), A Little Book of Meat (1993), Aeroplanes of the World (1994), Violet (1997), Bunny (2001), Portrait of My Lover as a Horse (2002), Lou-Lou (2004) and Red Roses (2006). Violet was a Poetry Book Society Choice and was shortlisted for all three of the UK's major poetry prizes, the Forward Prize, T.S. Eliot Prize and Whitbread Poetry Award. Bunny won the Whitbread Poetry Award, was a Poetry Book Society Choice and was also shortlisted for the T.S. Eliot Prize. Lou-Lou and The Hat were Poetry Book Society Recommendations. Her most recent collections from Bloodaxe are The Hat (2008); Fruitcake (2009); People Who Like Meatballs (2012), shortlisted for both the Forward Poetry Prize and the Costa Poetry Award; The Sparkling Jewel of Naturism (2014); Jutland (2015), a Poetry Book Society Special Commendation which was shortlisted for the 2015 T.S. Eliot Prize and was earlier shortlisted for the Roehampton Poetry Prize; The Magnitude of My Sublime Existence (2016), shortlisted for the Roehampton Poetry Prize 2017; and Splash like Jesus (2017). Her 19th collection, I May Be Stupid But I'm Not That Stupid, was published by Bloodaxe in 2019.

The Rise of Rome Plutarch 2017-07-25 The biographies collected in this volume bring together Plutarch's Lives of those great men who established the city of Rome and consolidated its supremacy, and his Comparisons with their notable Greek counterparts. Here he pairs Romulus, mythical founder of Rome, with Theseus, who brought Athens to power, and compares the admirable Numa and Lycurgus for bringing order to their communities, while Titus Flamininus and Philopoemen are portrayed as champions of freedom. As well as providing an illuminating picture of the first century AD, Plutarch depicts complex and nuanced heroes who display the essential virtues of Greek civilization - courage, patriotism, justice, intelligence and reason - that contributed to the rise of Rome. These new and revised translations by W. Jeffrey Tatum and Ian Scott-Kilvert capture Plutarch's elegant prose and narrative flair. This edition also includes a general introduction, individual

introductions to each of the Lives and Comparisons, further reading and notes. The Rise of Rome is the penultimate title in Penguin Classics' complete revised Plutarch in six volumes. Other titles include Rome In Crisis, On Sparta, Fall of the Roman Republic, The Age of Alexander and The Rise and Fall of Athens (forthcoming 2014).

Greek Beyond GCSE John Taylor 2017-09-07 Greek Beyond GCSE covers all the linguistic requirements for the OCR AS and A Level in Classical Greek. It aims to bring students to a point where they can tackle original Greek texts with confidence. Although designed as a continuation of Greek to GCSE, it is self-contained and can be used independently. This second edition is brought in line with the current OCR specifications. The first part of the book introduces new constructions accompanied by exercises including the translation of sentences from English to Greek and reading passages(which in the opening chapters are lightly adapted). The next sections provide translation and comprehension passages at both AS and A Level standard, including verse unseens, scansion, and a list of 300 common poetic words (new to this edition). Next come longer unadapted extracts from a range of authors. Finally there is a reference section including a summary of all constructions, a comprehensive grammar, various appendices and a vocabulary of about 1,200 Greek words.

The Major Works William Wordsworth 2008-07-10 This authoritative edition was formerly published in the acclaimed Oxford Authors series under the general editorship of Frank Kermode. It brings together a unique combination of Wordsworth's poetry and prose - all the major poems, complemented by important letters, prefaces, and essays - to give the essence of his work and thinking.

Greek to GCSE: Part 1 John Taylor 2016-09-08 First written in response to a JACT survey of over 100 schools, and now endorsed by OCR, this textbook has become a standard resource for students in the UK and for readers across the world who are looking for a clear and thorough introduction to the language of the ancient Greeks. Revised throughout and enhanced by coloured artwork and text features, this edition will support the new OCR specification for Classical Greek (first teaching 2016). Part 1 covers the basics and is self-contained, with its own reference section. It covers the main declensions, a range of active tenses and a vocabulary of 250 Greek words to be learned. Pupil confidence is built up by constant consolidation of the material covered. After the preliminaries, each chapter concentrates on stories with one source or subject: Aesop, Homer's Odyssey and Alexander the Great, providing an excellent introduction to Greek culture alongside the language study. Written by a long-time school teacher and examiner, this two-part course is based on experience of what pupils find difficult, concentrating on the essentials and on the understanding of principles in both accidence and syntax: minor irregularities are postponed and subordinated so that the need for rote learning is reduced. It aims to be user-friendly, but also to give pupils a firm foundation for further study.

Menander: The Bad Tempered Man Menander (of Athens.) 1995 Though in later antiquity the social comedies of Menander ranked second in popularity only to Homer, his plays were for centuries thought to be irretrievably lost. Only in this century have instances begun to re-emerge from the sands of Egypt, and it was not until 1958 that a complete play,Dyskolos or The Bad-Tempered Man, came to light. With this we can now gauge in full the skill that Menander brought to his works, even in the early phase of his career. In preparing this edition, the author aims to make accessible to readers some of the consummate sophistication in dramatictechnique and use of language that once produced the question, "Menander and Life, which of you imitated the other?" Greek text with facing translation, commentary and notes. **Greek Historians** John Marincola 2001-12-13 This survey of more recent work on Herodotus, Thucydides and Polybius synthesises some of the most important research from the last few decades.
