[Big Sky](#) Kitty Thomas 2012-10-01 Warning: Big Sky is DARK literary erotica meant for an emotionally mature, adult audience. This work is not romance. Nor is it "50 Shades". Do not expect an HEA. If you are familiar with this author's work and enjoyed Comfort Food, you may also enjoy this title. If you are unfamiliar with this author, you might first want to try some of her tamer/lighter works such as Blood Mate or Mafia Captive to see if her style might be for you. Big Sky is a work of

fiction and neither the author nor the publisher condone the behavior of any characters in real life. Description: Veronica Cason lives in a small apartment with no clear view of the sky. It's uncertain which might crush her first: her debt or the buildings squeezed in so tight that they surround her like ominous sentinels. She can't breathe in the city. Her success is a lie, and her debt is coming to collect her--unless someone else gets there first. When a stranger offers her a job at a ranch, it feels like salvation, but it could also mean her death if his motives aren't pure. Which door has the tiger behind it? The claustrophobia of the city or ranch life under an open sky? What Readers are Saying about Big Sky: "Kitty Thomas writes amazing dark erotica, so what, you ask, did I learn about myself from reading her latest book? I learned that I must be getting jaded and I am a sucker for a grieving man." -JillyP "Preface to say that this is dark edgy erotica, not for those looking for pure romance. But if this is your genre, then Big SKY is a must read. Well-crafted story with complex characters. I am hooked on Kitty Thomas!" -K. Victoria Smith "Big Sky was a good dark erotic story by Kitty Thomas and I think one of the darkest ones that she has written. I highly recommend Big Sky to all fans of dark erotica." -AsianCocoa "Kitty writes fictional stories that are dark erotica, so going into this novel I knew what to expect. While this book definitely has some dark and twisted things happening in it that I don't personally agree with, I couldn't help but justify everything that happened. In a lot of ways, I felt that Luke really was saving Veronica and giving her a do-over. Only Kitty Thomas can take something so morally wrong and make it seem right." -KC Book Girl "If you are a Kitty Thomas fan, this is a must-read. If you've never read Kitty Thomas before, and you think you can handle reading dark erotica, don't start here. Go read Comfort Food, and if you love it, come back and read Big Sky. It's perfect." Amazon Customer "This is one of the strangest erotic novels I have ever read, and trust me, that is really saying something. I don't even know how to describe the book. I guess it's best described as a dark erotic novel, but that just doesn't seem quite enough." - Charles M Smith II "Kitty Thomas had done it again. She's ensnared me in her web of dark and disquieting words. The dark subject matter of BIG SKY rivals that of COMFORT FOOD (a book that still haunts my thoughts years after reading). Let's just say that the antagonist/hero in BIG SKY makes Master from COMFORT FOOD seem like a well-adjusted individual. ;-) And, yes, in Kitty's world, the hero and antagonist are usually the same person." -Book of Secrets "The writing was brilliant and I loved how the author went there and I commend her for that. Just some of the scenes were too much and in the end I felt truly sorry for Veronica. I guess her only savior is that beautiful blue sky. Out of a 5 I'm giving this book 3 stars. Prepare yourself this book is not for everyone, but if you do read please go in with an open mind. This book was very good." - Lynne "In the end, I was struck by the sadness of unrequited love of two individuals, which to me was the theme of the story. Not the fetishism or the dark themes, but two very lonely and broken people trying to heal the only way they knew how. Thomas' stories aren't about shock value, they're about broken people. Yes, this one covers entirely new territory, and it's not for everyone, but it has a wonderfully bittersweet ending." - Candice Bundy "Big Sky is a sexual fantasy scenario packaged in realism, written in a way so that if the scenario could indeed be brought to life, how would it then play out in the most realistic fashion? And in my opinion, this is what Kitty Thomas does best. She IS able to merge fantasy with reality in a way that I think few authors of this genre can, and still make it layered and thoughtful with moments of real emotion." -iPollux "I bought and inhaled this book immediately after reading Comfort Food. Wow. Kitty Thomas is a gutsy author, and I love that." - D. Green-Norris More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Mafia Captive Blood Mate Submissive Fairy Tales Erotic novellas: Awakening The King's Pleasure The Auction Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas. **Acquainted With the Night** Lesli Richardson 2020-12-08 I hated the military...and now I'm an alien's pet. I hated the Terran military. I didn't volunteer, either. Like so many others, I was drafted as cannon fodder in the senseless Terran war against the Algonquans. Not like I had much of a future ahead of me, though, without a rich family to pave my way or even pay for me to have a wife. Now, my entire ship's been captured. If what we've been told about the alien race is true, I'll never be seen again. I hope they don't eat me. Turns out the truth is far different than we were led to believe. The Algonquans aren't vicious, insectoid monsters, either.

We're now their pampered pets...and they're using us to help replenish their population to win the war. You know, maybe this isn't the worst life after all. (MMMM, sci-fi, humans as aliens pets, m-preg.) Note: This book was previously published under my Tymber Dalton pen name. It has been revised and expanded for re-release. **More Than Make-Believe** Tymber Dalton 2012-09-01 [Siren Allure ManLove: Erotic Alternative Romance, M/M, menage elements not involving the heroes, sex toys, HEA] When you fall for a fantasy, how do you know it's more than make-believe? Travis Collins, a straight college student, finds himself in a financial bind. He'll do anything legal, including going gay for pay and spending a weekend as "Craig Rocke," with gay porn star Marston Cougar. Marston tells him to remember it's all fantasy for the camera even though it feels like more. Gary Carmeletti, also known as Marston Cougar, has a respectable day job. He started out making gay porn to pay for college. After getting his heart broken, he has a no-dating rule. Now paired with "virgin" Craig, he finds it hard to keep it make-believe when he's losing his heart. Gary's niece needs surgery, and he almost has enough money to quit for good. But now that he feels a true connection with his fantasy costar, will he be able to find a happily ever after when he feels it's more than make-believe? NOTE: This book was previously published with another publisher. \*\* A Siren Erotic Romance **Spider Bight [Deep Space Mission Corps 3]** Tymber Dalton 2012 [Siren Menage Everlasting: Erotic Futuristic Sci-Fi Menage a Quatre Romance, M/M/M/F, voyeurism, HEA] When the Tamora Bight is diverted from a scheduled mission to conduct a rescue operation and tow a disabled Kal'moran vessel, the crew's also ordered to refer to Emi Hypatia as the ship's captain. Aaron Lucio, Caph Bates, and Ford Caliban aren't delighted to learn Kal'moran is a luxury resort planet for women, run by women. They're even less pleased when they're diplomatically obligated to visit the Kal'moran capital with Emi. Emi tries to maintain objectivity, but finds it hard to remain agreeable while being shown around a planet that treats males as little more than pack animals. Unfortunately, a jealous, scheming Kal'moran sets her sights on obtaining Aaron, Caph, and Ford by any means necessary when Emi refuses to share. Now Emi must fight to save her men from a Kal'moran warrior who'll stop at nothing to win.
