Mistborn: Secret History Brandon Sanderson 2016-01-26 Note: This novella is included in *Arcanum Unbounded: The Cosmere Collection*, now available in print, ebook, and audiobook from Tor (US/Canada) and Gollancz (UK/Commonwealth). *Mistborn: Secret History* is a companion story to the original *Mistborn* Trilogy. As such, it contains huge spoilers for the books *Mistborn (The Final Empire)*, *The Well of Ascension*, and *The Hero of Ages*. It also contains very minor spoilers for the book *The Bands of Mourning*. *Mistborn: Secret History* builds upon the characterization, events, and worldbuilding of the original trilogy. Reading it without that background will be a confusing process at best. In short, this isn't the place to start your journey into *Mistborn*. (Though if you have read the trilogy—but it has been a while—you should be just fine, so long as you remember the characters and the general plot of the books.) Saying anything more here risks revealing too much. Even knowledge of this story's existence is, in a way, a spoiler. There's always another secret.

Legion: Skin Deep Brandon Sanderson 2014-11-24 From #1 New York Times bestselling author Brandon Sanderson, Stephen Leeds is back in a new, double-length novella that *Library Journal* says has "the pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis." It's not his own genius that Stephen Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it's getting a bit crowded in there. Now Stephen and his internal team of "aspects" have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own

hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

THE EMPEROR'S SOUL - Shai is a Forger, a foreigner who can flawlessly copy and re-create any item by rewriting its history with skillful magic. Though condemned to death after trying to steal the emperor's sceptre, she is given one opportunity to save herself. Despite the fact that her skill as a Forger is considered an abomination by her captors, Shai will attempt to create a new soul for the emperor, who is almost dead from the attack of assassins. Skillfully deducing the machinations of her captors, Shai needs a perfect plan to escape. The fate of the empire lies in one impossible task. Is it possible to create a forgery of a soul so convincing that it is better than the soul itself? But the rewards are great: by using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed.

Firstborn Brandon Sanderson 2010-07-20 Of the son of a High Duke of the interstellar Empire, much glory is expected. And expected.
